

PATINÉ

Winemaker: Mike Smith | Production: 100 Cases
Pisoni Clone | 50% New French Oak

“2013 was our first year working with this esteemed vineyard owned by the Pisoni family. What a remarkable block of Pinot Noir to work with.

Rich hues of dark ruby in the glass mingle with wild aromas of pomegranate, raspberries and lavender. Hints of spice, graham and clove envelope the senses leading to a medium to full bodied mid palate. A core of red fruit and acidity nicely frame the refined and supple finish.

A long decant is recommended in its youth or allow 3-5 years in the cellar to bring out the hidden nuances this vineyard is known for.”
