Wine Profile

With the elegance one expects from an Oakville Cabernet, this new beauty is firm and weighty, giving way to a clean, precise, and chiseled mouthful. While it is aromatically dark chocolate now, it will become even more fruit positive and fan out in another 5-8 years.

Palate Impressions

Well-rounded tannins give the mid palate multi-dimensional bliss, with layers of both black and blue fruits, cassis, and faint cocoa. Packed with just the right amount of spice, this is a medium to full bodied wine.
