

PATINÉ

Winemaker: Mike Smith | **Production:** 87 Cases

Old Wente Clone | 100% Stainless Steel

Vineyard

Sangiaco Green Acres

AVA

Sonoma Coast

Wine Profile

The 2022 Patiné Sangiaco Green Acres Wente clone Chardonnay was fermented in 100% stainless steel and ten months sur lie keeping the expression of this wine pure and unfiltered.

Palate Impressions

The 2022 vintage shows really well with hints of tropical fruits, stone fruits, and a streak of lemon curd, giving way to a crisp and exotic wine. The palate is very pliant and expansive with some really nice acidity to counter the huge mouthfeel.

Vineyard Context

Planted in 1969, Green Acres Vineyard is one of the most sought-after Chardonnay vineyards due to the distinctive character and intensity of the grapes.

Five of the original acres of Chardonnay (“The Heritage Block”) is planted to the Old Wente clone on St. George rootstock.
