Wine Profile

The 2022 vintage for the Earnest's Eye Cabernet Sauvignon produced a brooding, complex and beautiful wine that embodies the ripeness and precision the vintage is known for. Amazingly intense aromatics showcase layers of black cassis, red fruits, graham cracker and earthy/dusty components.

Palate Impressions

The mid palate is perfectly balanced with massive amounts of blue and black fruits, followed with a full-bodied and buoyant mouthfeel that hovers across the spectrum of the palate. Perfectly integrated structure and polished tannins lead to a detailed and long finish that our sails off into Cabernet Sauvignon supernova.
